(+44) 7842583913
amisong.work@gmail.com

- 12 years of experience
- 320+ A/B tests conducted
- 150+ users interviewed
- A hands-on doer thriving in fast-paced teams

EDUCATION

Dankook University (Korea)
03/2010 - 02/2015

Visual Communication Design(BA)

EXPERIENCE

iwoca
UK fintech specialising in lending for SMEs

Product Designer
01/2026 - Present

- Proposed and led user research to diagnose product gaps, validate team hypotheses, and prioritize roadmap features.
- Led dashboard redesign to surface monitoring features, leveraging user journey mapping and workshop insights. Validated hypotheses through usability testing and iterated based on findings.
(A/B testing in progress, retention and NPS tracking underway.)
- Redesigned monthly email, increasing CTR from 20% to 26.5%.

TossBank
Mobile-first digital bank in Korea

Product Designer
02/2022 - 08/2025

- Led 0 → 1 design for Toss Bank's Multi-Currency Account, driving 650K sign-ups in the first month and outperforming the top competitor by 3.7 times.
- Reduced international transaction friction by analyzing data, cutting customer support load by 6% and saving \$23K per month, surpassing key metric by 5.1%.
- Enhanced personal loan funnel through iterative A/B testing, increasing loan execution rates by 8% and exceeding team target by 7%.
- Collaborated with cross-functional teams including Product Owner, Data Analyst, Developers, Compliance, and Legal teams.

Sixshop
All-in-one web platform to build online stores

Product Designer
06/2021 - 01/2022 (8mos)

- Designed intuitive WYSIWYG web builder enabling merchants to build shopping malls 8.2 times faster than competitors, reducing reported issues by 7%.
- Streamlined purchase flow for customers through usability testing, increasing the conversion rate by 4%.

Surfit
Chrome extension career platform

Head Of Design
05/2019 - 01/2021 (1yr 9mos)

- Launched Designer's Directory connecting companies with designers, reaching 3.6 M daily visits.
- Identified and resolved engagement friction by analyzing Google Analytics and internal dashboards.

Union Pool
Online resale platform for secondhand clothing

Lead UI/UX Designer
04/2015 - 07/2018 (3yrs 4mos)

- Designed secondhand clothing marketplace across web, iOS, and Android.
- Led and mentored 3 designers, building scalable UI/UX guidelines.

Checkup
B2B service for facility inspection workflows

UI/UX Designer
07/2014 - 02/2015 (8mos)

- Designed user-centric interfaces across web and app based on user behavior analysis.
- Delivered consistent visual design across print, app, and web platforms.
